

B-3351 - B-3358

1845-1855

1000-1048 Patapsco St. (West side)

Baltimore, Md.

Private access

The majority of houses along the west side of this block of Patapsco St. are small, two story, two bay wide gable-roofed brick houses built in the 1850's to provide inexpensive housing for the growing numbers of new workers arriving in the area, many of whom were recent immigrants. A number of these houses have recently been renovated and now serve a mixed commercial/residential use. 1000 Patapsco St. has been remodeled as a two story, shed roofed house with bracketed cornice; 1026 and 1042 Patapsco St. are two story plus attic, two bay wide brick houses. The houses along Patapsco St. were generally built by the owners of the houses located on the western sections of the lots, facing on S. Charles St.

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This two story, two bay brick house with shed roof and sheet metal cornice represents an enlargement of the original two story, gable-roofed house built in the 1840's, which must have been similar to the adjoining house at 1002 Patapsco.

The house is two stories in height, 12 1/2' wide, and occupies a lot 50' deep. The house is two rooms deep and there are no rear additions. The house is constructed in running bond. The shed roof is capped by a stamped sheet metal cornice consisting of a deeply projecting crown molding set above a plain molding strip. Three brackets connect the cornice to a lower molding strip, thus forming a brick freize area. The two end brackets terminate at their upper edges in plain, rounded "anthemions." There are no extant roof chimneys.

All of the door and window openings have segmentally arched brick lintels with solid wood tympanums. The sills are wood. All of the window openings are filled with new 6/6 double hung sash. A modern four panel door is set beneath a single light transom. The house sits on a low basement, the entrance being reached by two brick steps. A rectangular basement opening is located beneath the first floor window.

SPECIFIC DATES	c. 1845-1851	BUILDER/ARCHITECT	Henry Logemann
----------------	--------------	-------------------	----------------

STATEMENT OF SIGNIFICANCE

This house seems to have been built by Henry Logemann, the proprietor of the Rail-Road Hotel at Light and Pratt Sts., as part of his development of the south-west corner of Hamburg and Patapsco Sts. The house must originally have resembled the nearby 5-7 E. Hamburg St. houses, or the adjoining 1002 Patapsco St. (which is now a garage). It was undoubtedly remodeled after the Civil War in the currently fashionable Victorian style. It has recently been restored.

See under 5-7 E. Hamburg St.
